ACH Group is dedicated to creating opportunities for older people to thrive. We believe growing older is akin to turning a new page and with it comes a sense of great anticipation and optimism

Our focus on innovation and services that respond to changing needs reflects our desire to shift the way the community thinks about older people.

ACH Group's 1700 specialist staff and hundreds of volunteers share our belief that older people should be valued and respected, connected to their communities and in control of their lives. This mindset drives our every action to empower older people, to support them to lead a good life and continue to make a contribution to family, community and society.

ACH Group is a not-for-profit organisation which has been supporting older South Australians since 1952. ACH Group offers a wide range of services including retirement and residential options, domestic, personal and nursing care in the home.

Milpara residential facility has 90 rooms, accommodating 92 residents (has 2 double rooms). Milpara provides ageing in place for residents with a wide range of differing care needs.
