ACH Group is dedicated to creating opportunities for older people to thrive. We believe growing older is akin to turning a new page and with it comes a sense of great anticipation and optimism

Our focus on innovation and services that respond to changing needs reflects our desire to shift the way the community thinks about older people.

ACH Group's 1700 specialist staff and hundreds of volunteers share our belief that older people should be valued and respected, connected to their communities and in control of their lives. This mindset drives our every action to empower older people, to support them to lead a good life and continue to make a contribution to family, community and society.

ACH Group is a not-for-profit organisation which has been supporting older South Australians since 1952. ACH Group offers a wide range of services including retirement and residential options, domestic, personal and nursing care in the home.

Colton Court is located at McLaren Vale on the Fleurieu Peninsula. All residents enjoy their own room with en-suite bathroom, home-style living and dining, with kitchenettes available, making it easier to continue to be as independent as possible.

Colton Court caters for 39 residents in both low and high care. There is a ten-bedroom group house specifically for people with dementia, a four-bedroom low care group setting and 21 units suited for low and high care needs.

Facilities available at Colton Court

- **Public Transport** – yes we do have public transport. We have a bus stop on the main road just down from us, but if any of the students are coming by bus I would have them study the timetables etc as there may be transfers involved.
- **Parking** - There is plenty of parking on-site and on Valley View Drive
- **Access to the building** – easy access to all parts of the facility
- **Meals – café nearby or on site** - Refreshments / kitchen with microwave etc - there are MANY great cafes in McLaren Vale or our staff room has all kitchen facilities (microwave, toaster, tea, coffee) that are available to students also
