

Important Payroll Cycle Change

Effective 1 November, 2024, our payroll cycle will transition from a fortnightly Wednesday-Tuesday schedule to a fortnightly Monday-Sunday schedule to improve accuracy and reduce errors, especially around public holidays. This means we will have a temporary pay period of 12 days.

October - November 2024

You can choose to get paid in advance for the hours worked on Monday 28 October and Tuesday 29 October.
