

Highercombe Residential Care Home

5-11 Sirius Avenue, Hope Valley SA 5090

Welcome to Highercombe

Nestled in a quiet, tree-lined street in the leafy suburb of Hope Valley, Highercombe Residential Care Home offers a welcoming and comfortable environment where residents can feel at home.

The contemporary two-storey home has been carefully redesigned to create eight small homes, each featuring an open plan kitchen, living and dining space, modern furnishings and inviting outdoor areas.

With consistent care teams, personalised support and greater choice in daily routines, residents can maintain their independence while focusing on wellbeing, connection and dignity.

Life with purpose, choice and connection

At Highercombe, daily life centres around the things that matter most – meaningful relationships, choice, comfort and a sense of belonging.

Our small home living approach creates a familiar and welcoming environment where residents are known, valued and supported by a consistent team who understand their preferences, routines and life story.

Residents enjoy a balance of personalised care and freedom to continue living life their way.

Care that knows you

Care is tailored to your individual needs, preferences and goals, supporting you to live well every day.

Your dedicated care team includes:

- Clinical Care Consultant
- Registered Nurses
- Allied health professionals
- Multiskilled Workers

Together, they work alongside you and your family to support your health, wellbeing and quality of life.

Why choose ACH Group?

For more than 70 years, ACH Group has been supporting older South Australians to live good lives.

We take the time to listen, understand each resident's unique story and honour their choices. By building genuine relationships, we help residents maintain their independence, strengthen connections and feel a true sense of belonging within their community.
